Part II engineering options

In Easter term, all second year students will be required to indicate their third year course preference (eg IIA, MET IIA, ECP, NUS) and to make a provisional choice of Part IIA modules by the end of Easter Full Term (Friday 16 June 2017), which can be changed at the start of Michaelmas 2017 and Lent 2018. **Note:** Students planning to take MET or go on an exchange also need to choose a set of IIA modules as their 'back-up' option.

Full details can be found in the [Part IIA Options document](#).

A [timetable of talks](#) about Part II options is available on-line.

Manufacturing Engineering Tripos

Following on from the MET options talk there will be a 'Meet the METs' lunch on Thursday 9 February 2017 in LR4, 1.00-2.00pm. The current MET students will be your hosts and will be around to answer any questions you may have regarding MET.

Advance notification: The MET group will be holding an open afternoon on Wednesday 10 May 1.00-3.00pm, at the Institute for Manufacturing to explain the course to interested students (and staff). Refreshments will be served and MET staff and current students will be on hand to answer any questions you may have.

Students who are interested in taking the Manufacturing Engineering Tripos for their third and fourth years should visit the [MET website](#), download and complete the [application form](#) and email it to the MET Office by Friday 2 June 2017. Interviews for MET will take place during the week commencing 12 June 2017 (after the IB examinations).

CUED exchanges with ECP and NUS 2017/18
